IN THE SPECIFICATION

Please insert as the first sentence of the specification the following:

--This is a continuing application of U.S. Application Serial No. 09/062,333 *filed*

(pending) and U.S. Application Serial No. 09/157,748 (pending).--

At page 1, line 9, replace "fluoroscence" with --fluorescence--.

At page 3, line 16, replace "symtomology" with --symptomology--.

At page 4, lines 27, 28 and 33, replace "fluoroscent" with --fluorescent--.

At page 9, line 28, replace "thorough" with --through--.

At page 10, line 22, replace "colonrectal" with --colon, rectal--.

At page 11, line 26, replace "fluorecein" with --fluorescein--.

At page 18, line 8, replace "exogeneous" with --exogenous--.

At page 23, line 11, replace "italized" with --italicized--.

At page 24, line 35, replace "epression" with --expression--.

At page 26, line 29, replace "lysozomal" with --lysosomal--.

At page 26, line 37, replace "mitrochondrial" with --mitochondrial--.

At page 28, line 14, replace "fluoroscence" with --fluorescence--.

At page 36, line 27, replace "lysozomes" with --lysosomes--.

At page 37, line 10, replace "lysozomes" with --lysosomes--.

At page 38, line 16, replace "fluorecein" with --fluorescein--.

At page 40, line 27, replace "fluoroscent" with --fluorescent--.

At page 41, line 20, replace "fluoroscent" with --fluorescent--.

At page 44, line 14, replace "reporta" with --report a--.

At page 44, line 16, replace "nucleoar" with --nuclear--.

At page 46, line 13, delete one "with".

At page 47, line 33, replace "supermatant" with --supernatant--.

At page 48, line 13, replace "supermatant" with --supernatant--.

At page 48, line 28, replace "occuring" with --occurring--.

At page 49, line 6, replace "fluoreceence" with --fluorescence--.

At page 50, line 6, replace "brighffield" with --brightfield--.

At page 50, line 7, replace "obtainad" with --obtained--.

At page 50, line 10, replace "DMSOand" with --DMSO and--.
